HIV timeline - key fact no.6

27 January 2017

2013 HIV timeline fact.

The infographic features a background of vertical blue bars of varying heights. On the left, the year '2013' is written in large, bold, orange letters. A white speech bubble with a red border points from the year to the main text. The main text is in a dark grey, sans-serif font. At the bottom, there is a red banner with white text and the AVERT logo on the right. The logo consists of the word 'AVERT' in a bold, white, sans-serif font inside a red arrow shape pointing to the right, with the tagline 'AVERTing HIV and AIDS' in a smaller font below it.

2013 Cuba became the first country in the world to eliminate transmission of HIV from mother to baby.
