

HIV prevention and treatment myths

14 July 2017

There are lots of myths about how you can cure or prevent HIV. Make sure you know the facts.

YOU CAN'T PREVENT OR CURE HIV BY... **AVERT.org**

| | | | |
|---|---|--|---|
|  |  |  |  |
| WASHING AFTER SEX | SEX WITH A VIRGIN | PULLING OUT METHOD | SPELLS AND HERBAL MEDICINE |

Condoms and **PrEP** used correctly and consistently **protect** you from **HIV** transmission during sex.

USING THE CONTRACEPTIVE PILL
