

Ways to give

A world with no new HIV infections, and where those living with HIV and AIDS do so with equality and the support they need. We believe it's possible. By supporting our work, you can help make this vision a reality. Whatever way you choose to support us, a gift of any size will make a real difference.

We're here to help you along the way, so please do not hesitate to [get in touch with us](#).

Donate

The easiest way to support our work is to [donate](#). Whether it's a one-off gift or a monthly set up, whatever donation you can afford will help us to reach more people with the information they need to make informed decisions.

Fundraise

Whether you fancy getting active with a sporting challenge, having a laugh with friends by organising a comedy evening, or celebrating World AIDS Day at your workplace with a tasty bake sale, you can fundraise for us in whatever way you think is best.

If you do decide to fundraise for us, we'd love to hear (and see pictures!) of what you're getting up to and help support you in any way we can.

Life has tremendously improved for me and my family and helped to restore confidence and life in me. **Thank you Avert!**

- Janet, Malawi

Leave a gift in your will

By leaving us a gift in your will, you can make a real difference to the lives of others, long into the future. A gift of any size will enable us to continue to provide HIV and sexual information to those who need it most.

Give as an organisation

Foundations, trusts and companies can play a major role in helping us to protect the next generation from HIV and AIDS. We can work together to help you fulfil your philanthropic ambition and make a real difference to people affected by HIV and AIDS.

By supporting our work with an unrestricted gift or through a monthly standing order, you can also help us spend money where the need is greatest, and have more impact.
